FOR IMMEDIATE RELEASE

**Horizons of Kent and Queen Anne's Honors Program Advocate LT Goodall
Special Classes and Luncheon Planned**

Centreville, MD (July 19, 2016)--Today, students at Horizons of Kent and Queen Anne's—a summer academic and cultural enrichment program for students with limited economic means—celebrated LT Day. LT Day honors a true Horizons Hero, LT Goodall, who led the program's turnaround and success for many years. The celebration was held at The Gunston School, the site of its Queen Anne's summer program.

Since 1995, the Horizons summer learning program has served hundreds of Kent and Queen Anne's County children at or below the poverty level, as part of a growing national initiative to reduce the summer slide. The six-week program headquartered at Radcliffe Creek School in Chestertown and The Gunston School in Centreville serves kids from kindergarten through eighth grade.

Horizons of Kent and Queen Anne's is one of 51 affiliates of the Horizons National summer learning program. The six-week summer program employs an experiential model of teaching that focuses on reading, writing, and math. Students not only improve academically, but learn to swim and participate in activities that foster creativity, confidence, citizenship, and good health.
